The diagram illustrates the relationship between a common header file and three source files. On the left is a black box labeled 'Cl\_common.h'. To its right are three white boxes: 'Clstuff.c' at the top, 'Classes.c' in the middle, and 'LinearStatistic.c' at the bottom. Three blue arrows point from each of these three source files towards the 'Cl\_common.h' header file, indicating that each source file includes this common header.
